A brief summary of the report was given at the meeting by Treasurer Karstens.

A total of \$17,700 of income was received thanks to the 216 total registrants of the conference. With a total of \$11,916.68 spent for hotel fees, including all of the rooms for the speakers. An additional \$2,049.52 was needed for travel expenses for our invited speakers, with another \$2,180.28 spent on other miscellaneous items for the conference. This brought our total expenses for the conference to \$16,146.48, which allowed us to bring in a \$1,553.52 profit from the conference alone. Other income came from our member dues of approximately \$460. Additional expenses that were not for the conference totaled approximately \$103. This led to a total gross annual income of \$2,187.77.

Current balance is \$15,815.33

Feedback surveys came back from conference. We can possibly continue to save money on next year's conference based on the responses from the surveys

14th Annual Severe Storms and Doppler Radar Conference

The date set for this year's conference is March 25-27, 2010. It will be held at the Sheraton in West Des Moines again. This is the second year of our contract, so for the 2011 conference, we can look at another hotel option if we want.

Conference team sign-ups were passed around at the meeting. If you wish to be a part of any team please let President Dave Flory know.

Registration Team – Sitting at the registration table at the conference.

Possible speakers/field trips?

One idea of a field trip for this year is to go to a wind farm. If you have ideas for possible field trips we can take or speakers to bring in, contact President Dave Flory.

Vice President Albrecht

Fund raising opportunities

There continues to be a potential fund raising opportunity with Hilton Coliseum by working at a concession stand during event(s). Were asked to work concessions at football games, but would have to work every game, so we will stick with basketball games. **Possible dates are:**

Sunday, November 15th at 6:00 PM

Saturday, January 23rd at 1:00 PM

Tuesday, December 1st at 7:00 PM

Wednesday, January 27th at 7:00 PM (only if we don't do the Kansas game)

Saturday, February 27th at 7:00 PM

Hatteberg

Outreach Opportunity

President Hatteberg of ISU AMS proposed a co-sponsorship outreach opportunity for NWA at the meeting. Last spring, ISU AMS put weather safety tips on local HyVee grocery bags during Severe Weather Week. Severe Weather Awareness Week this spring falls on the week of April 5-9, 2010. AMS would like to have the weather safety tips on HyVee bags reach out to the Des Moines area this spring. If you would like to help out in this process, contact Rachel Hatteberg (rah@iastate.edu).

Treasurer Karstens
